Form 471 # 1027499, FRN 2790285

We would like to appeal USACs decision for demand payment for FRN 2790285. On Letter dated September 11, 20 is 2017 it states **"Our routine review of SLP has revealed certain applications where funds were used in violation of SLP rules.**

Please note that the FRN was utilized by the school.

The school responded to the PQA and sent in the required document in a timely manner. The documents were initially sent in December 2016 then again in May 2017. (See attached)

Please let me know if you have any additional questions.

Thanks for your consideration and the opportunity to appeal.
